MoU / JSPP – German Structure
MoU / JSPP

• The changes of the MoU-Text were negotiated between the partners and we are in agreement.

• The final document to be signed should be sent from NASA any day now.

• The JSPP has also been updated (for now).

• The JSPP will be formally re-discussed between NASA and DLR next year.
German Structure

DLR Project Office:

- SOFIA program executive and project manager are covered by the project manager at DLR HQ.
- SOFIA program scientist and project scientist are covered by the project scientist at DLR HQ.
